Design freestanding mailbox BRENTANO® ST-BP with newspaper compartment - Design Elegance 3 - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt

Product number 803-7016E3-ZF-STBP

Product description

Design freestanding letterbox BRENTANO® ST-BP with newspaper compartment - Design Elegance 3 - RAL 7016 anthracite grey

The BRENTANO® letterbox with an elegant rectangular tube stand element, integrated newspaper compartment, concealed lock and narrow stainless steel faceplate including name engraving in grey combines modern design with first-class functionality. Manufactured from high-quality materials and powder-coated, it is not only an attractive design feature for your home but also impresses with its durability. The clear lines and careful workmanship make the BRENTANO® letterbox the ideal choice for the highest design standards. Thanks to its robust construction it is particularly weather-resistant and ensures reliable protection for your mail. Perfect for those who value design and function in harmonious balance.

The generous dimensions of the BRENTANO® design letterbox provide a capacity of approx. 20 litres, so larger items such as C4 envelopes or magazines can be received without bending — even after several days away. Top entry ensures comfortable handling. In addition, the letterbox is fitted with dampers that ensure the insertion flap closes softly and quietly. The innovative Push-Key lock, concealed inside, allows opening without turning the key – simply insert the key into the opening and the door opens effortlessly. The clever arrangement of the lock and the retrieval door prevents your mail from falling towards you when opened. Made from stainless steel as well as galvanised steel and additionally powder-coated, this letterbox is especially durable and of high-quality workmanship.

The unique one-handed operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows particularly simple handling: you can open the letterbox, remove the post and close it again using only one hand. Protected by a utility model (DPMA file number DE: 20 2021 101 679.5), this innovation offers real added value.

Thanks to its construction, self-assembly is straightforward.

- High-quality freestanding letterbox, powder-coated in RAL 7016 anthracite grey.
- Design Elegance 3: narrow 20 mm stainless steel faceplate, brushed with 240-grit.
- Quality manufacture - Made in Germany
- Innovative Push-Key lock including 2 keys with key number. Convenient closure without using the key.
- Letterbox body made from 1.5 mm galvanised steel.
- Retrieval door made from 1.5 mm stainless steel V2A 1.4301 with opening limiter, opens from top to bottom. The retaining plate prevents your post from falling out towards you.
- The insertion is from the top, and the flap is equipped with an opening limiter and high-quality dampers that enable silent closing.
- The letterbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 horizontally — large letters fit without bending.
- Newspaper compartment (BH 400x120mm) made from 1.5 mm galvanised steel, powder-coated. Open on both sides.
- Individual UV- and weather-resistant laser engraving.
- The mounting post consists of W 80 mm x D 40 mm stainless steel V2A 1.4301, powder-coated in RAL colour for screw mounting or for setting in concrete.

Important information:

To achieve optimal water protection for your mail, the letterbox or the letterbox system should, where possible, be located under a canopy.

Mail is only protected from water if it is placed completely inside the box and the insertion flap is closed. Mail that is not fully inserted allows moisture and dirt to enter the letterbox. This installation is protected against the ingress of water according to DIN EN 13724. Water ingress is not a valid reason for complaint.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BRENTANO
Functions	Newspaper compartment
Mounting type	Free-standing
Surface/colour	RAL 7016 anthracite grey, Brushed
