Mailbox column BRENTANO® - Design Elegance 3 - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt

Product number 803-E3-STL-7016

Product description

Mailbox column BRENTANO® - Design Elegance 3

The BRENTANO® mailbox column combines modern design with maximum functionality, featuring an invisible lock and a narrow stainless steel trim including name labelling in grey. Manufactured from the highest-quality materials and powder-coated in RAL 7016 anthracite grey, this mailbox is not only a stylish feature for your home but also offers long-lasting quality. The clear design language and precise workmanship make the BRENTANO® mailbox a timeless solution for the most demanding requirements. Thanks to its robust construction it is particularly weather-resistant and reliably protects your post. Ideal for anyone who values a perfect combination of design and function.

The generous dimensions of the BRENTANO® Design mailbox provide a capacity of approx. 20 litres, allowing larger items such as C4 envelopes or magazines to be received without creasing – even after several days away. Top entry ensures comfortable handling. The mailbox is also fitted with dampers that ensure the insertion flap closes gently and quietly. The innovative Push-Key lock, hidden inside the unit, enables opening without turning the key – simply insert the key into the opening and the door opens effortlessly. The clever arrangement of the lock and the collection door prevents your post from falling out when opened. Manufactured from stainless steel, galvanised steel, aluminium and additionally powder-coated, this mailbox column is especially durable and of high-quality construction.

The unique one-handed operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows particularly simple handling: you can open the mailbox, remove your post and close it again using only one hand. Protected by a utility model (DPMA file number DE: 20 2021 101 679.5), this innovation provides real added value.

Thanks to its design, self-assembly is straightforward.

- High-quality manufactured mailbox column, powder-coated in RAL 7016 anthracite grey, fine-texture matt.
- Quality manufacture - Made in Germany.
- Design Elegance 3: narrow 20 mm stainless steel trim, finished with 240-grit.
- Innovative Push-Key lock including 2 keys with key number. Convenient locking without turning the key.
- Mailbox body made from 1.5 mm galvanised steel.
- Collection door made of stainless steel V2A 1.4301 with opening limiter, opens from top to bottom. The retaining plate prevents your post from falling out.
- Top entry.
- Insertion flap with opening limiter. High-quality dampers ensure the flap closes quietly and gently.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 in landscape orientation, so large letters can be inserted without folding.
- Includes self-adhesive, engravable name plate.
- Custom UV- and weather-resistant laser engraving.
- Mailbox column made from 3 mm aluminium AlMg3 W19 with a 3 mm base plate made of stainless steel V2A 1.4301 for screw mounting.

Important information:

To provide optimal protection of your post from water, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is only protected from water if it is placed completely inside the box and the insertion flap is closed. Post that is not fully inserted allows moisture and dirt to enter the mailbox. This installation is protected against water ingress in accordance with DIN EN 13724. Water ingress is not a reason for complaint.

Product properties

Material	Steel, galvanised, Aluminium AlMg3 W19, Stainless steel V2A 1.4301
Series	BRENTANO
