Product description

Self-adhesive Pictogram "LETTER" - Brushed Stainless Steel

The self-adhesive pictogram "LETTER", made from powder-coated stainless steel, is the ideal addition to letterbox systems and provides a clear, durable labelling of the letterboxes. The finely brushed surface with 240 grit gives the sign a modern, high-quality appearance – perfectly matched to our letter and parcel box systems. The pictogram is self-adhesive and can be applied to smooth surfaces easily, quickly and permanently – without any drilling or screws. The high-quality adhesive backing guarantees a secure hold – even with continuous outdoor use.

A key advantage: the language-independent pictogram is universally understood by delivery personnel and users, regardless of their native language. This ensures clear and intuitive use of the letterboxes – even in residential complexes with international residents or with changing delivery services. Ideal for all letter and parcel box systems from Briefkasten Manufaktur – for clear, professional labelling with durable "Made in Germany" quality.

- Pictogram "LETTER" in stainless steel 1.4301 (V2A), powder-coated in RAL 7016 anthracite grey, fine-textured matt finish.
- Self-adhesive for smooth surfaces.
- Compatible with our parcel compartment systems.
