12-unit 6x2 surface-mounted mailbox system Design BASIC 385A-7016 AP - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | with 12 mailboxes (2x6) | 300x110x385 mm (WxHxD) - ?? Normal 12 litres

Product number 385A-7016-12W

Product description

Wide surface-mounted mailbox system BASIC 385A for 12 households – RAL 7016 Anthracite grey

The BASIC 385A surface-mounted mailbox system for 12 households is a robust wall solution for apartment buildings, residential complexes and commercial properties. The wider W-version distributes the mailboxes across a multi-column front and keeps the overall system lower and more compact in proportion.

The mailboxes are made of galvanised steel and are powder-coated in RAL 7016 Anthracite grey fine-textured matt. The close-fitting cladding with rain hood joins the individual compartments into a continuous, modern surface-mounted system.

Each mailbox measures 300 × 110 × 385 mm (W × H × D) and offers approximately 12 litres of volume. The 35 × 265 mm mail slot is designed for DIN C4 items in portrait format. Doors open from left to right; each mailbox is supplied with two keys with key number and a replaceable nameplate located beneath the mail flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Rain hood and side panels

Rain hood and side panels combine the individual mailboxes into a continuous surface-mounted system. The coordinated cladding provides a calm front and a neat finish to the facade.

DIN C4 mail slot and 12-litre capacity

The mailboxes, measuring 300 × 110 × 385 mm (W × H × D), each provide approx. 12 litres of volume. The 35 × 265 mm mail slot also accepts larger DIN C4 items in portrait format.

Quiet insertion and secure allocation

The rubber lip dampens the mail flap. Robust locks, two keys with key number and protected replaceable nameplates ensure clear allocation of the individual mailboxes.

Mounting rail for wall installation

The surface-mounted system is designed for direct facade installation. A mounting rail facilitates installation; fixing materials with screws and wall plugs are included in the described configuration.

Robust finish in RAL 7016

The anthracite grey fine-textured finish gives the system a modern appearance and protects the galvanised steel for daily use on the building. The system is manufactured in Germany by the mailbox manufactory.

Specification of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 12 individually lockable compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material Galvanised steel, powder-coated in RAL 7016 Anthracite grey fine-textured matt
Finish RAL 7016 Anthracite grey fine-textured matt
Standard DIN EN 13724

Mail and operation

Mail slot 35 × 265 mm, suitable for DIN C4 portrait
Mail flaps With noise-damping rubber lip
Mail retrieval Front access
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Replaceable nameplate beneath the mail flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain hood Solid, system-matching design
Type of installation Surface wall mounting
Installation aid Mounting rail
Fixing materials Screws and wall plugs included; check suitability for the on-site wall construction
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems appropriate fixing solutions must be determined on site.

Note on weather protection

Mail is best protected against moisture and dirt only when items are fully inserted and the mail flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey
Removal of mail	On the front
Mounting type	Surface-mounted
Number of boxes	with 12 letterboxes
