Surface-mounted mailbox system STORM for 3 households – 3-compartment – RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | with 3 mailboxes (3x1)

Product number 480A-3W-7016

Product description

Surface-mounted mailbox system STORM for 3 parties – RAL 7016 Anthracite grey

The horizontal STORM system provides three individually usable mail compartments at a common operating height. It is ideal for small multi-family houses, medical practices, offices and commercial units with generous wall space and a requirement for a clear, high-quality entrance design.

High-quality processed, galvanised steel forms the basis for the mailboxes, rain canopy and side cladding. RAL 7016 Anthracite grey fine-textured matt coating ensures a uniform, modern surface and a particularly premium overall appearance.

Each of the 3 mail compartments features a 35 × 340 mm insertion opening for DIN C4 in landscape format, a noise-dampening flap with high-quality rubber buffers and a downward-opening retrieval door with opening stop. Mail retention bars, separate locks and interchangeable protected nameplates ensure clear allocation and comfortable use.

The advantages of the STORM surface-mounted mailbox system at a glance

Ideal for small residential and commercial properties

The horizontal STORM system provides three individually usable mail compartments at a common operating height. It is ideal for small multi-family houses, medical practices, offices and commercial units with generous wall space and a requirement for a clear, high-quality entrance design.

High-quality construction from galvanised steel

Mailboxes, rain canopy and side cladding are manufactured from galvanised steel. The robust material base is designed for long-term use in entrance areas and gives the STORM system a solid, premium construction.

RAL 7016 Anthracite grey – fine-textured matt

The entire visible unit is uniformly powder-coated in RAL 7016 Anthracite grey fine-textured matt. The finely textured, matt surface appears premium, modern and pairs particularly well with contemporary façades, doors and window profiles.

Comfortable insertion of DIN C4 mail

The 35 × 340 mm insertion openings are designed for DIN C4 letters in landscape format. Larger envelopes can also be inserted without bending.

Thoughtful everyday comfort

Noise-dampening rubber buffers, downward-opening retrieval doors with opening stops and integrated mail retention bars make daily use pleasant. Separate locks and protected interchangeable nameplates ensure unambiguous allocation.

Equipment of the STORM surface-mounted mailbox system

Construction and surface

Configuration 3 columns × 1 row
Mail compartments 3 separately lockable mailboxes
Mailbox material Galvanised steel
Rain canopy and side cladding Galvanised steel
Surface RAL 7016 Anthracite grey fine-textured matt
Standard Mailboxes conforming to DIN EN 13724

Mail convenience

Insertion opening 35 × 340 mm per mailbox, suitable for DIN C4 landscape
Insertion flaps With high-quality, noise-dampening rubber buffers
Mail retrieval Front-facing, door opens downward with opening stop
Mail retention bar Integrated in each mailbox
Keys 6 keys in total, 2 per mailbox
Nameplates 3 protected interchangeable nameplates, one per party

Installation and manufacture

Mounting type Surface-mounted wall installation
Mounting screws Included
Application Ideal for small residential and commercial properties
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on weather protection

For the best possible protection of the posted mail, we recommend installation under a porch or in a sheltered entrance area. Postal items must be fully inserted so that the insertion flaps can close completely.

Note on wall mounting

Briefkasten Manufaktur Lippe GmbH
Werler Straße 60
32105 Bad Salzuflen

Handelsregister Amtsgericht Lemgo, HRB 8618

Before installation, the load-bearing capacity and condition of the wall must be checked. Depending on the masonry, concrete or façade construction, additional plugs or special fastening systems may be required. The enclosed mounting screws must be used according to the specific installation situation or supplemented professionally where necessary.

Product properties

Material	Steel, galvanised
Series	STORM
Boxes by volume	Normal > 10 litres
House number	House number as laser engraving
Surface/colour	RAL 7016 anthracite grey
Name labelling	Laser-engraved
Removal of mail	On the front
Mounting type	Surface-mounted
Number of boxes	with 3 letterboxes
