Designer freestanding mailbox BRENTANO® ST-R - Design Elegance 3 - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt

Product number 803-7016E3-STR

Product description

Design freestanding mailbox BRENTANO® ST-R - Design Elegance 3 - RAL 7016 anthracite grey

The BRENTANO® mailbox with elegant round-tube stand elements, invisible lock and slim stainless steel faceplate including name inscription in grey combines modern design with first-class functionality. Manufactured from high-quality materials and powder-coated, it impresses not only as a stylish design element for your home but also through its durability. The clear lines and careful workmanship make the BRENTANO® mailbox the ideal choice for the highest design standards. Thanks to its robust construction it is particularly weather-resistant and guarantees reliable protection for your post. Perfect for those who value design and function in harmonious balance.

The generous dimensions of the BRENTANO® design mailbox provide a capacity of approx. 20 litres, so larger items such as C4 envelopes or magazines can be received without folding – even after several days away. The top insertion ensures convenient handling. In addition, the mailbox is equipped with dampers that ensure a smooth and quiet closing of the insertion flap. The innovative Push-Key lock, hidden invisibly inside, allows opening without turning the key – simply insert the key into the aperture and the door opens effortlessly. The clever arrangement of the lock and the collection door prevents your post from falling out when opened. Made from stainless steel as well as galvanised steel and additionally powder-coated, this mailbox is particularly durable and of high-quality workmanship.

The unique one-handed operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows particularly simple handling: you can open the mailbox, remove the post and close it again using just one hand. Protected by a utility model (DPMA file reference DE: 20 2021 101 679.5), this innovation offers real added value.

Thanks to the design, self-installation is straightforward.

- High-quality freestanding mailbox, powder-coated in RAL 7016 anthracite grey.
- Design Elegance 3: 20 mm stainless steel faceplate, brushed to 240 grit.
- Quality manufacture - Made in Germany
- Innovative Push-Key lock including 2 keys with key number. Comfortable locking without turning the key.
- Mailbox body made of 1.5 mm galvanised steel.
- Collection door made of 1.5 mm stainless steel V2A 1.4301 with opening limiter, opens from top to bottom. The retaining plate prevents your post from falling out.
- The insertion is from the top, and the flap is equipped with an opening limiter and high-quality dampers that allow noiseless closing.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape, so large letters also fit without creasing.
- Optional rear newspaper compartment (W x H x D 400 x 200 x 50 mm) made of stainless steel, powder-coated. Open on both sides.
- Individual UV- and weather-resistant laser engraving.
- The support posts consist of 60.3 mm stainless steel V2A 1.4301, brushed, for screw mounting or for embedding in concrete.

Important information:

To achieve optimal water protection for your post, the mailbox or mailbox system should, if possible, be located under a canopy.

Mail items are only protected from water if they are placed completely inside the box and the insertion flap is closed. Mail that is not fully inserted allows moisture and dirt to enter the mailbox. This system is protected against water ingress in accordance with DIN EN 13724. Water ingress is not a valid reason for complaint.
