5-unit stainless steel surface-mounted mailbox Design BASIC Plus 382XA AP with doorbell box - stainless steel V2A | Left | 100mm depth | with 5 mailboxes (3x2) | Stainless steel, brushed

Product number 382XA-VA-5-SP-100-L

Product description

5-unit surface-mounted stainless steel mailbox Design BASIC Plus 382XA AP with bell/intercom housing - Stainless steel V2A

High-quality surface-mounted mailbox for 5 households made in Germany by Briefkasten Manufaktur. The complete surface-mounted mailbox system is made of stainless steel V2A, brushed. The very high-quality workmanship and the well thought-out concept make this mailbox system one of our top sellers. A drip edge for optimal water protection, a continuous rubber lip for quiet posting, the solid interchangeable nameplate, a practical mail retention bracket and the robust lock characterise this surface-mounted mailbox system.

Thanks to the design, self-installation is straightforward. The mailbox system is prepared for uncomplicated complete installation, so there is no need for time-consuming wall mounting of individual boxes. 5-unit surface-mounted mailbox system entirely made from stainless steel V2A 1.4301, brushed.

The advantages at a glance

Stainless steel side panel with rain hood

Side panel and rain hood are made of stainless steel V2A, brushed, and complement the system as a structurally coordinated weather protection.

Generous letter slot

The slot measures 35 × 325 mm and is designed for DIN C4 landscape. The mailbox design complies with DIN EN 13724.

Quiet posting and comfortable retrieval

Briefkasten Manufaktur Lippe GmbH

The integrated flap damping with rubber seal reduces impact noise when posting. The door opens from left to right. The mail retention bracket holds items back during retrieval.

Integrated bell and intercom area

Bell/intercom section according to the chosen configuration. The stainless steel doorbell push-button type 4 is used as the bell button. Optionally prepared with a talk grille for the installation of standard intercom systems or flush-mounted speakers. (Intercom system/flush-mounted speaker not included). An option with the Comelit Ultra video complete set is also available.

Quality manufacture and thoughtful construction

The system is manufactured at Briefkasten Manufaktur in Germany. The construction is designed for straightforward self-installation.

Equipment and product details

Mailbox system

Number of mailboxes 5 separately usable mail compartments
Layout 3 × 2
Depth 100 mm
Mailbox material Stainless steel V2A 1.4301
Mailbox surface Brushed
