

Video door station free-standing DIVISION 530S ST-Q - RAL of your choice - Comelit VIDEO complete set Wifi

Product number 530S-E-STQ-KSCSWIFI-1

Product description

Video door station free-standing DIVISION 530S ST-Q - RAL of your choice - Comelit VIDEO complete set Wifi

This simple yet elegant doorbell pedestal is ideal for free-standing installation in the entrance area. The multi-part front panel made of stainless steel V2A 1.4301 in the colour of your choice is mounted on a 5 mm stainless steel frame and stands out slightly from powder-coated stainless steel stand elements. The individual front panels can be changed at any time, so the camera model can be replaced even years later. Integrated Comelit video intercom system including home station with an integrated Wi-Fi system for mobile access via smartphone app.

Our products have a high quality, reliable functionality and their own identity. Made by Briefkasten Manufaktur.

- Door station made of 2 mm stainless steel V2A 1.4301.
- Interchangeable front panels powder-coated in RAL colour of your choice.
- Installation box made of 2 mm stainless steel V2A 1.4301, 240 grit polished.

- The pedestals are made of 40 mm x 40 mm stainless steel V2A 1.4301, powder-coated in RAL colour for setting in concrete or screw mounting.

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. Please contact your trusted electrician for planning, fitting and installation.

Water protection

To achieve optimum water protection, the door station should be located under a canopy if possible.
