## Product description

### 3 x 3 surface-mounted letterbox system Design BASIC 382A AP - RAL 9016 traffic white

High-quality surface-mounted letterbox for 3 parties made in Germany by Briefkasten Manufaktur.

The complete surface-mounted letterbox system is made of galvanised steel, powder-coated in RAL 9016 traffic white fine structure matt. The very high-quality workmanship and the well thought-out concept make this letterbox system our top seller. A rain drainage edge for optimum water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this surface-mounted letterbox system.

Thanks to the design, self-assembly is uncomplicated.

- 3-piece surface-mounted letterbox system with letterboxes made of galvanised sheet steel, powder-coated in RAL 9016 traffic white fine structure matt.
- The system is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The letterboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape, large letters also fit in here without creasing.
- Insertion flaps with sound-absorbing rubber seal for very quiet mail insertion.
- The doors can be opened from left to right.
- Incl. 2 keys with key number, changeable name plate under the flap and post holder for each letterbox.
- Large capacity thanks to optional letterbox depth +50 mm = approx. 17 litres. Suitable for companies and households with very high mail volumes.
- For wall mounting incl. fixing material (screws + dowels).

#### Important information:

The mail is only protected from moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water can still get in (up to 1ccm according to DIN EN 13724). This is not a reason for complaint.
