

Letterbox cover AVANTGARDE for BASIC 355x330 - self-adhesive - 345x182 - polished stainless steel

Product number BML-BLE38X-345184-VA

Product description

AVANTGARDE letterbox cover for BASIC 355x330 - self-adhesive - 345x182 - polished stainless steel

The AVANTGARDE covers made of 1 mm polished stainless steel are a beautiful letterbox decoration and very easy to retrofit. The design panels can be individually labelled by you. Your house number, name or any other lettering is possible in many fonts and sizes. The lettering is applied directly to the stainless steel using a modern fibre laser in a grey font colour, making the lettering very durable. Stainless steel blends in elegantly with other materials and greatly enhances their appearance. This cover is made of stainless steel and is therefore particularly corrosion-resistant, rust-free, easy to clean, very stable and durable. This high-quality letterbox accessory is suitable for all BASIC 355x330 letterbox models.

It can be easily mounted on smooth or finely textured surfaces using the adhesive points supplied.

- Cover made of 1mm stainless steel V2A, polished.
- Dimensions: WHT 345x184x1mm.
- Self-adhesive.
- Individual labelling.
- Suitable for all BASIC vertical letterbox models (W 355 x H 330 mm).
