

Video stele DESIGNER 529S ST-R Elegance I - polished stainless steel - Comelit VIDEO complete set

Product number 529SST-VA-KSCSWIFI-1

Product description

Video stele DESIGNER 529S ST-R Elegance I - polished stainless steel - Comelit VIDEO complete set

This simple yet elegant doorbell pedestal has a built-in Comelit video intercom system. The front plate made of V2A 1.4301 stainless steel, 240 grain polished, is mounted on a 5 mm frame and stands out from the body and the stand elements. The Comelit video intercom system is an innovative solution with functions such as face recognition, voice commands and operation via smartphone app. Completely pre-programmed for easy installation - connect 2 wires and DONE! Optionally with gateway without home station or with WiFi home station.

Our products have a high quality, reliable functionality and their own identity. Made by Briefkasten Manufaktur.

- Door station made of 2 mm stainless steel V2A 1.4301, 240 grain polished.

- Optionally with house number labelling approx. 60-80 mm high.
- The pedestals are made of 42.4 mm stainless steel, polished. Invisible cable routing through the pillars.

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. Please contact your trusted electrician for planning, fitting and installation.

Water protection

To achieve optimum water protection, the door station should be located under a canopy if possible.
