

6-piece surface-mounted letterbox horizontal design BASIC 385XA surface- mounted with bell box - RAL of your choice | Left | ? Colour of your choice | with 6 letterboxes

Product number 385XA-6W-SP-L

Product description

6-point surface-mounted letterbox horizontal design BASIC 385XA AP with bell box - RAL of your choice

Modern surface-mounted letterbox system for 6 parties made in Germany by Briefkasten Manufaktur.

The letterboxes are made of weather-resistant stainless steel V2A, powder-coated in RAL colour. The very high-quality workmanship and the well thought-out concept make this letterbox system our top seller. This letterbox system is characterised by a close-fitting side cladding with rain canopy and the rain drainage channels for optimum water protection, a throw-in flap with rubber lip, the solid interchangeable nameplate and the robust lock.

The letterbox systems in the BASIC Plus collection are characterised by the consistent use of V2A stainless steel. The result is a very long service life and sustainability. The design has been developed by our own engineers with a view to high flexibility and modularity, simple spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.

- **6-point surface-mounted letterbox system made of stainless steel V2 A, powder-coated in RAL colour**
- The system is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The letterboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 26.5 cm) for C4 landscape, large letters also fit in here without creasing.
- Insertion flaps with sound-absorbing rubber lip for very quiet mail insertion.
- The doors can be opened from left to right.
- Incl. 2 keys with key number and changeable name plate under the flap.
- With close-fitting side panelling and rain cover in solid design.
- **Doorbell box made of stainless steel V2 A, powder-coated in RAL colour**
- Intercom hole with universal adapter. (Intercom system/ built-in loudspeaker not included in the scope of delivery).
- Universal adapter is suitable for all commercially available built-in loudspeakers (Siedle, Ritto, TCS, Busch-Jäger, Gira, Legrand Bticino, ELCOM, Auerswald, Comelit and many more).
- Round stainless steel bell push type 4, max. 250 V AC, 5 A.
- Anti-vandalism - The nameplate is indentation-proof and impact-resistant, the plastic is flame-retardant.
- For simple 1-2 person wall mounting with mounting rail incl. fixing material (screws + wall plugs).

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. Please contact your trusted electrician for planning, fitting and installation.

Water protection

The mail is only protected against moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water may still enter (up to 1ccm according to DIN EN 13724). This is not a reason for complaint.
