

Flush-mounted nameplate for GOETHE letterbox - 2-part - carrier plate + nameplate | Stainless steel, ground

Product number 789-E-2T-215-VA

Product description

Flush-fitting nameplate for GOETHE letterbox - 2-part - carrier plate + nameplate optionally with laser inscription

This nameplate can be replaced with the plastic nameplate for GOETHE letterboxes. The flush-mounted look makes the letterbox look much more elegant and modern with this nameplate. The nameplate is made of stainless steel V2A 1.4301 and can be powder-coated as required. The nameplate is in 2 parts, consisting of a carrier plate and the nameplate for screwing. This guarantees that the nameplate can be easily replaced when the tenant changes.

- Nameplate made of 2 mm stainless steel V2A 1.4301, ground or powder-coated.
- Consisting of carrier plate and nameplate. The carrier plate and the nameplate are screwed together. Can be changed at any time.
- Optionally with laser labelling. The size of the lettering is adapted to the space available and the number of characters.
