

# Spare part - Stainless steel application 389x50 for GOETHE E1 - polished stainless steel

**Product number** BML-BLE215-38950-VA

## Product description

### Stainless steel application 389x50 for GOETHE - polished stainless steel

The stainless steel application for GOETHE made of 1.5 mm polished stainless steel can be individually labelled by you. Your house number, name lettering or any other lettering is possible in many fonts and sizes. The lettering is applied directly to the stainless steel using a modern fibre laser in a grey font colour, making the lettering very durable. Stainless steel blends in elegantly with other materials and greatly enhances their appearance. This cover is made of stainless steel and is therefore particularly corrosion-resistant, rust-free, easy to clean, very stable and durable. This high-quality letterbox accessory is suitable for all GOETHE E1 letterbox models, but also makes your old letterbox look like new.

The stainless steel application is equipped with bolts on the back for easy installation.

- Cover made of 1.5mm stainless steel V2A, polished.
- Dimensions: WHT 389x50x1.5mm.
- Bolt on the back.
- Customised lettering.
- Suitable for all GOETHE E1 letterbox models.
