

Stainless steel removal guard 340x82 for GOETHE & BRENTANO

Product number BML-215-ENS-400

Product description

Stainless steel removal guard 340x82 for GOETHE & BRENTANO

The GOETHE & BRENTANO letterbox fulfils the high requirements of DIN EN 13724, which guarantees the safe and secure storage of your mail. As an optional accessory, the removal protection serves to further increase these security standards. This sturdy accessory has been specially developed for the GOETHE and BRENTANO models with a push-key lock on the front. Thanks to the user-friendly screw mounting, the removal protection can be installed quickly and easily, even as a retrofit. This means you can effectively secure your letterbox against unauthorised access in just a few minutes.

- Removal protection made of 1 mm stainless steel V2A.
- Dimensions: WHT 340x82x1mm.
- For screw mounting.
- Suitable for all GOETHE & BRENTANO letterbox models with push-key lock on the front.
