**Product number** 381-DB703-2S-100

## Product description

### 2-post 2x1 letterbox Design BASIC 381 ST-R - DB703 micaceous iron ore

Modern free-standing letterbox for 2 parties made in Germany by Briefkasten Manufaktur.

The letterboxes are made of galvanised steel, powder-coated in DB703 micaceous iron ore, the stand elements are made of weather-resistant V2A stainless steel, polished. The very high-quality workmanship and the well thought-out concept make this letterbox system our top seller. A rain drainage edge for optimum water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this free-standing letterbox. This letterbox is easy to clean and robust.

Thanks to the design, self-assembly is uncomplicated.

- **2-post letter box made of galvanised steel, powder-coated in RAL 9016 traffic white fine structure matt.**
- The system is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The letterboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape, large letters also fit in here without creasing.
- Insertion flaps with sound-absorbing rubber seal for very quiet mail insertion.
- The doors can be opened from left to right.
- Incl. 2 keys with key number, changeable name plate under the flap and post holder for each letterbox.
- Large capacity thanks to optional letterbox depth +50 mm = approx. 17 litres. Suitable for companies and households with very high mail volumes.
- Includes close-fitting rain cover for optimum weather protection.
- The stand elements are made of 42.4 mm V2A stainless steel 1.4301, polished for screw mounting or setting in concrete.

#### Important information:

The post is only protected from moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water can still get in (up to 1ccm according to DIN EN 13724). This is not a reason for complaint.

## Product properties
