Product description

Design letterbox with newspaper compartment SCHILLER BIG VA7016 - stainless steel V2A, polished & RAL 7016 anthracite grey

High-quality stainless steel designer letterbox for wall mounting with internal newspaper compartment. Your name can also be applied as lettering as an option. This letterbox is solidly manufactured and the base material is made entirely of stainless steel. This ensures optimum rust protection. The structure also provides optimum water protection. The lock side can be selected to suit left-handed or right-handed users, so that one-handed operation is possible.

The newspaper compartment is integrated into the stainless steel body, powder-coated in RAL 7016 anthracite grey fine structure, matt, and therefore offers optimum water protection for the newspaper.
