Product description

3-post letterbox system made of stainless steel V2 A polished - Design BASIC 385-VA - Horizontal letterboxes

Modern free-standing letterbox for 3 parties made in Germany by Briefkasten Manufaktur.

The letterboxes and stand elements are made of weather-resistant V2A stainless steel, polished. The very high-quality workmanship and the well thought-out concept make this letterbox system our top seller. A rain drainage edge for optimum water protection, a double-edged throw-in flap with rubber lip, the solid interchangeable nameplate and the robust lock characterise this free-standing letterbox.

Thanks to the design, self-assembly is straightforward.

- **3-post letterbox system made of stainless steel V2 A, polished**

- The letterboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 26.5 cm) for C4 high, large letters also fit in here without creasing.
- Insertion flaps with sound-absorbing rubber lip for very quiet mail insertion.
- The doors can be opened from left to right.
