Product number 530S-VA-KSCSWIFI-1

Product description

DIVISION 530S video door station - RAL of your choice - Comelit Ultra VIDEO Set

The DIVISION 530S video intercom is the perfect combination of state-of-the-art door communication, high-quality design and maximum ease of use. The elegant front made of polished stainless steel blends seamlessly into any building façade, while the white illuminated bell push sets a stylish accent. The high-quality finish in V2A stainless steel makes the system particularly robust, durable and weather-resistant - ideal for long-term outdoor use.

Equipped with the innovative Comelit camera, you can experience razor-sharp live images, a generous wide angle, face recognition and voice control. Convenient operation via mobile phone or indoor intercom: Using the free Comelit app, you can receive visitor calls directly on your smartphone, see the camera image in real time, speak to guests and even open doors or gates if you wish - no matter where you are.

With the DIVISION 530S video call station, you are opting for a flexible, modular system in which front panels and camera modules can be easily replaced even years later. This means your door communication is always up to date - both technically and visually.
