

1 stainless steel free-standing letterbox Design BASIC Plus 380 ST-T - RAL of your choice | 150mm depth | with 1 letterbox

Product number 380X-P-1-150

Product description

1-piece stainless steel free-standing letterbox Design BASIC Plus 380X ST-T - RAL of your choice

High-quality free-standing letterbox for 1 party made in Germany by Briefkasten Manufaktur.

The letterbox is made of stainless steel V2A, powder-coated in RAL colour, the stand elements are made of aluminium, powder-coated in RAL colour. The very high-quality workmanship and the well thought-out concept make this letterbox system our top seller. A rain drainage edge for optimum water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this free-standing letter box. This letterbox is easy to clean and robust.

The letterbox systems in the BASIC Plus collection are characterised by the consistent use of V2A stainless steel and aluminium. The result is a very long service life and sustainability. The design has been developed by our own engineers with a view to high flexibility and modularity, simple spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.

- **1-postbox with letterbox made of V2A stainless steel, powder-coated in RAL colour**
- The system is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The letterboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape, large letters also fit in here without creasing.
- Insertion flaps with sound-absorbing rubber seal for very quiet mail insertion.
- The door can be opened from left to right.
- Incl. 2 keys with key number, changeable name plate under the flap and post holder.
- Large capacity thanks to optional letterbox depth +50 mm = approx. 17 litres. Suitable for companies and households with very high mail volumes.
- Incl. side cladding + rain cover made of V2A stainless steel, powder-coated in RAL colour.
- The stand elements are made of aluminium profile, powder-coated in RAL colour for screw mounting or setting in concrete.

Important information:

The post is only protected from moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water can still enter (up to 1ccm according to DIN EN 13724). This is not a reason for complaint.
