

# Stainless steel flush-mounted letterbox BASIC Plus 382XU UP Elegance II - RAL of your choice | 100mm depth

**Product number** 382XU-1-E2-100

## Product description

### Stainless steel flush-mounted letterbox BASIC Plus 382XU UP Elegance II - RAL of your choice

Modern flush-mounted letterbox - made in Germany by Briefkasten Manufaktur. Complemented by the Elegance design cover with a discreet dividing line, a house number and name lettering as high-quality laser lettering in grey font colour.

The letterbox is made entirely of V2A stainless steel, powder-coated in RAL colour. The very high-quality workmanship and the well thought-out concept make this flush-mounted letterbox our top seller. A rain drainage edge for optimum water protection, a continuous rubber lip for quiet insertion, a practical post holder and the very robust lock characterise this flush-mounted letter box. The flush-mounted frame made of V2A stainless steel is fitted with a foam rubber seal and guarantees a very long service life.

The letterbox systems in the BASIC Plus collection are characterised by the consistent use of V2A stainless steel. The result is a very long service life and sustainability. The design has been developed by our own engineers with a view to high flexibility and modularity, simple spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.

- Flush-mounted letterbox made entirely of V2A stainless steel with letterbox, powder-coated in RAL colour of your choice.
- The system is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The letter box complies with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape, large letters also fit in here without creasing.
- Insertion flap with sound-absorbing rubber seal for very quiet insertion of mail.
- The door can be opened from left to right.
- Incl. 2 keys with key number and post holder.
- Large capacity thanks to optional letterbox depth +50 mm = approx. 17 litres. Suitable for companies and households with very high mail volumes.
- Cover made of stainless steel V2A 1.4301, polished. Optionally with laser inscription in grey. House number approx. 80-100mm high & name lettering approx. 15-25mm high.
- Plaster cover frame made of stainless steel angle profile 25 x 58 mm, powder-coated in RAL colour.

#### Important information:

The post is only protected from moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water can still enter (up to 1cm according to DIN EN 13724). This is not a reason for complaint.
