## Product description

### Design letterbox with newspaper compartment SCHILLER BIG VAR - stainless steel V2A, powder-coated

High-quality stainless steel designer letterbox for wall mounting with internal newspaper compartment. Your name can also be applied as lettering as an option. This letterbox is solidly manufactured and the base material is made entirely of stainless steel. This ensures optimum rust protection. The structure also provides optimum water protection. The lock side can be selected to suit left-handed or right-handed users, so that one-handed operation is possible.

The newspaper compartment is integrated into the stainless steel body, powder-coated in RAL 7016 anthracite grey fine structure, matt, and therefore offers optimum water protection for the newspaper.

- High-quality stainless steel design letterbox with internal newspaper compartment for wall mounting
- Front panels 1.5 mm stainless steel, powder-coated in RAL 7016 anthracite grey fine structure, matt.
- Available with door hinged on the left (lock on the right) or door hinged on the right (lock on the left). Newspaper compartment always on lock side.
- High-quality lock on the side incl. 2 keys with key number.
- Body 1.25 mm, stainless steel - powder-coated RAL 7016 anthracite grey fine structure, matt.
- Post & newspaper insertion from above.
- Insertion size suitable for C4 envelopes.
- Optimum water protection.
- Optionally with "POST" / "ZEITUNG" lettering, lasered approx. 10 mm high.
- Optional name lettering, laser-engraved approx. 10 mm high.
- Optional house number lettering, lasered approx. 80-100mm high.
- Delivery incl. stainless steel mounting material.
