Product number 382XU-4-SPS-R-100

Product description

4-piece stainless steel flush-mounted letterbox system BASIC Plus 382XU UP with bell box on the side - RAL of your choice

Modern flush-mounted letterbox for 4 parties - made in Germany by Briefkasten Manufaktur.

The letterbox is made entirely of stainless steel V2A, powder-coated in RAL colour. The very high-quality workmanship and the well thought-out concept make this flush-mounted letterbox our top seller. A rain drainage edge for optimum water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this flush-mounted letterbox. The flush-mounted frame made of V2A stainless steel is fitted with a foam rubber seal and guarantees a very long service life.

The letterbox systems in the BASIC Plus collection are characterised by the consistent use of V2A stainless steel. The result is a very long service life and sustainability. The design has been developed by our own engineers with a view to high flexibility and modularity, simple spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.

- · 4-gang flush-mounted letterbox system made entirely of stainless steel V2A 1.4301, powder-coated in RAL colour

- Plaster cover frame made of stainless steel angle profile 25 x 58 mm, powder-coated in RAL colour.

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. Please contact your trusted electrician for planning, fitting and installation.

Water protection

The mail is only protected against moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water can still enter (up to 1ccm according to DIN EN 13724). This is not a reason for complaint.
