

Design pedestal letterbox SCHILLER MEDIUM VAR - stainless steel V2A powder-coated in RAL 7016 anthracite grey | RAL 7016 anthracite grey, fine structure, matt | Lock left * Door hinge right

Product number 138ST-VAR-SL-7016

Product description

SCHILLER MEDIUM VAR designer pedestal letterbox - V2A powder-coated stainless steel

High-quality stainless steel designer letterbox for free-standing installation with newspaper compartment completely in RAL colour fine structure, matt. This letterbox is solidly manufactured and the base material is made entirely of stainless steel. This ensures optimum rust protection. The design also provides optimum water protection. The lock side can be selected to suit left-handed or right-handed users, so that one-handed operation is possible.

The dimensions allow for a capacity of approx. 12 litres, and the top-loading guarantees no crumpled mail, even with DIN C4 envelopes and magazines or after several days of absence. This free-standing letterbox is designed so that you can keep your hands free when opening it, and the internal structure prevents mail from falling towards you. By inserting the mail from above, the mail inside is optimally protected from the weather. The lid is secured with rubber buffers to prevent annoying rattling.

- High-quality stainless steel design letterbox in RAL colour.
- Body made of 1.25 mm stainless steel, powder-coated in RAL colour fine structure, matt.
- Front panels 1.5 mm stainless steel, powder-coated in RAL colour fine structure, matt.
- Available with door hinged on the left (lock on the right) or door hinged on the right (lock on the left).
- High-quality lock on the side incl. 2 keys with key number.
- Post insertion from above, insertion size suitable for C4 envelopes.
- Optimum water protection.
- Optional name labelling, lasered approx. 10 mm high.
- Optional house number labelling, lasered approx. 80-100mm high.
- The pedestals are made of 40 mm x 40 mm rectangular tube stainless steel V2A, polished. For screwing on or setting in concrete.
