Product number 381-VA-2-SP-ZF

Product description

2-post letterbox, free-standing Design BASIC 381-VA-ZF with bell, intercom and newspaper tube

Modern 2-gang free-standing letter box made in Germany by Briefkasten Manufaktur.

The letter box is made entirely of weather-resistant V2A stainless steel, polished. The very high-quality workmanship and the well thought-out concept make this stainless steel free-standing letter box our top seller. A rain drainage edge for optimum water protection, a double-edged throw-in flap with rubber buffer, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this stainless steel free-standing letterbox.

Thanks to the design, self-assembly is straightforward.

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. Please contact your trusted electrician for planning, fitting and installation.

Water protection

The mail is only protected against moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water can still enter (up to 1ccm according to DIN EN 13724). This is not a reason for complaint.
