

2-gang video door station DIVISION 530S - RAL of your choice - Comelit VIDEO complete set Wifi

Product number 530S-E-KSCSWIFI-2

Product description

2-gang video door station DIVISION 530S - RAL of your choice - Comelit VIDEO complete set Wifi

This simple yet elegant doorbell plate blends seamlessly into the building façade. The multi-part front plate made of stainless steel V2A 1.4301 in the colour of your choice is mounted on a 5 mm stainless steel frame and stands out slightly from the house wall. The individual front panels can be exchanged at any time, so the camera model can be replaced even years later. Integrated Comelit video intercom system including home station with an integrated Wi-Fi system for mobile access via smartphone app.

Our products have a high quality, reliable functionality and their own identity. Made by Briefkasten Manufaktur.

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. Please contact your trusted electrician for planning, fitting and installation.

Water protection

To achieve optimum water protection, the door station should be located under a canopy if possible.
