Product description

3er 2x2 letterbox system freestanding Design BASIC 381-K7016 - anthracite-grey RAL 7016 with bell intercom part

High-quality free-standing letterbox for 3 parties made in Germany by Briefkasten Manufaktur.

The letter box is made of galvanised steel, powder-coated in anthracite grey RAL 7016, the stand elements and insertion flap are made of weather-resistant stainless steel V2A, polished. The very high-quality workmanship and the well thought-out concept make this free-standing letterbox our top seller. A rain drainage edge for optimum water protection, a throw-in flap with rubber seal, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this free-standing letterbox. This letterbox is easy to clean and robust.

Thanks to the design, self-assembly is straightforward.

The design of your entrance area will be perfect if you combine it with the self-adhesive stainless steel house number (not included, see accessories).

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. Please contact your trusted electrician for planning, fitting and installation.

Water protection

The mail is only protected against moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water may still enter (up to 1ccm according to DIN EN 13724). This is not a reason for complaint.
