Product description

2-post stainless steel letter box design BASIC Plus 381X ST R with advertising sign 710x460 & newspaper compartments closed - polished V2A stainless steel

Modern free-standing letterbox for 2 parties - made in Germany by Briefkasten Manufaktur.

The complete letterbox system is made of weather-resistant stainless steel V2A 1.4301, polished. The very high-quality workmanship and the well thought-out concept make this free-standing letter box our top seller. A rain drainage edge for optimum water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this free-standing letterbox. The side panelling with protruding rain cover made of V2A stainless steel offers optimum protection against the weather and guarantees a very long service life. The advertising sign is polished on the front (without lettering/printing) and can be fitted with adhesive foil, laser lettering or engraving on site. The ideal solution for outdoor presentation.

The letterbox systems in the BASIC Plus collection are characterised by the consistent use of V2A stainless steel. The result is a very long service life and sustainability. The design has been developed by our own engineers with a view to high flexibility and modularity, simple spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.
