

# 4er 2x2 stainless steel letterbox Design BASIC 381 ST-R | 100mm depth | Stainless steel, ground | with 4 letterboxes

**Product number** 381-VA-4-V2A-100

## Product description

### 4-post stainless steel free-standing letter box system design BASIC 381-VA - optionally with rain cover & newspaper compartment

High-quality stainless steel free-standing letterbox for 4 parties made in Germany by Briefkasten Manufaktur.

The complete letterbox system is made of weather-resistant, polished stainless steel. The very high-quality workmanship and the well thought-out concept make this stainless steel letterbox system our top seller. A rain drainage edge for optimum water protection, a double-edged throw-in flap with rubber buffer, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this stainless steel letter box system.

Thanks to the design, self-assembly is straightforward.

- **4-post letterbox made of weather-resistant stainless steel, polished**
- The system is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The letterboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape, large letters also fit in here without creasing.
- Insertion flaps with noise-absorbing rubber buffers for very quiet insertion of mail.
- The doors can be opened from left to right.
- Incl. 2 keys with key number, changeable name plate under the flap and post holder for each letterbox.
- Large capacity thanks to optional letterbox depth +50 mm = approx. 17 litres. Suitable for companies and households with very high mail volumes.
- Includes close-fitting rain cover for optimum weather protection.
- The stand elements are made of 42.4 mm stainless steel, polished for screw mounting or setting in concrete.

#### Important information:

The post is only protected from moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water may still enter (up to 1ccm according to DIN EN 13724). This is not a reason for complaint.

Stainless steel V2A must be maintained regularly and should not be used in salty areas. We recommend our maintenance oil for cleaning and care. See accessories.

## Product properties

<b>Series</b>	BASIC
<b>Boxes by volume</b>	Normal > 10 litres
<b>Number of boxes</b>	with 4 letterboxes
<b>Name labelling</b>	Nameplate
<b>Mounting type</b>	Free-standing
<b>Material</b>	Stainless steel V2A 1.4301
<b>Removal of mail</b>	On the front
<b>Surface/colour</b>	Brushed
