Product description

Surface-mounted letterbox design BASIC 382A AP with bell box & newspaper compartment - RAL 7016 anthracite grey

High-quality surface-mounted letterbox made in Germany by Briefkasten Manufaktur.

The letterboxes are made of galvanised steel, powder-coated in RAL colour fine structure matt. The very high-quality workmanship and the well thought-out concept make this letterbox our top seller. A rain drainage edge for optimum water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this letter box. This letterbox is easy to clean and robust.

The design of your entrance area will be perfect if you combine it with the self-adhesive stainless steel house number (not included, see accessories).

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. Please contact your trusted electrician for planning, fitting and installation.

Water protection

The mail is only protected against moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water may still enter (up to 1ccm according to DIN EN 13724). This is not a reason for complaint.
