Artikelnummer 672-VA-RS2

Produktbeschreibung

Impact protection 672 ST-R - suitable for columns & stelae - polished V2A stainless steel

The round shapes of the elegant bull bar create an organic appearance that fits into any modern environment. The bull bar is made entirely of polished V2A 1.4301 stainless steel. The material and workmanship are characterised by the highest quality. Long-lasting weather resistance and absolute robustness against high mechanical loads are a matter of course with this impact protection.

- Crash protection made entirely of stainless steel V2A 1.4301, 240 grit polished.
- The impact protection is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- Matching sizes for our pillars and columns.
- The pillars and crossbars are made of 60.3 mm stainless steel V2A 1.4301, 240 grit polished, either for screw mounting or for setting in concrete.
